Specifications

Table Top

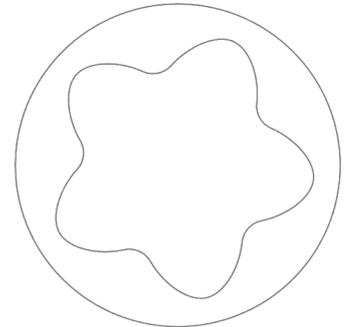

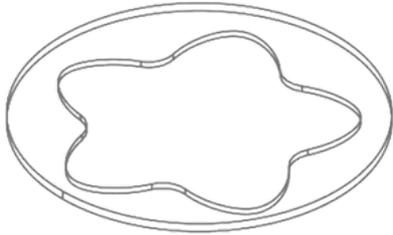

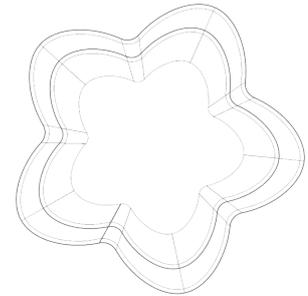

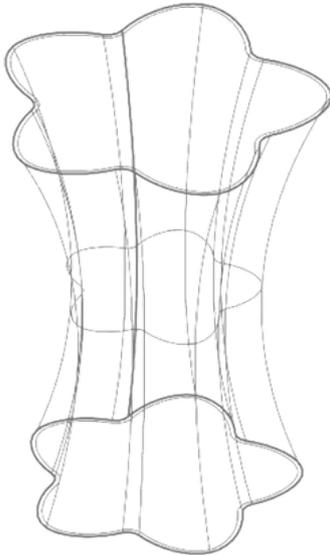

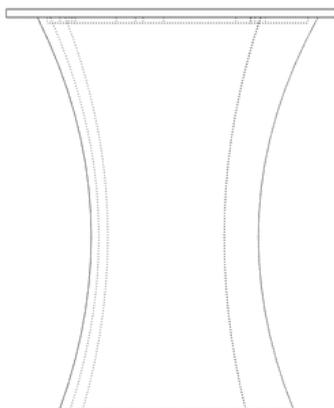

Table Leg

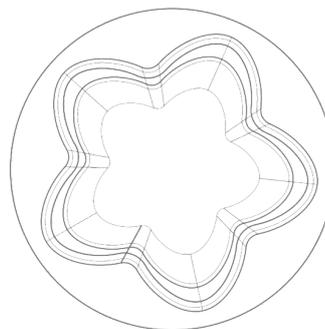

40 CM

40 CM

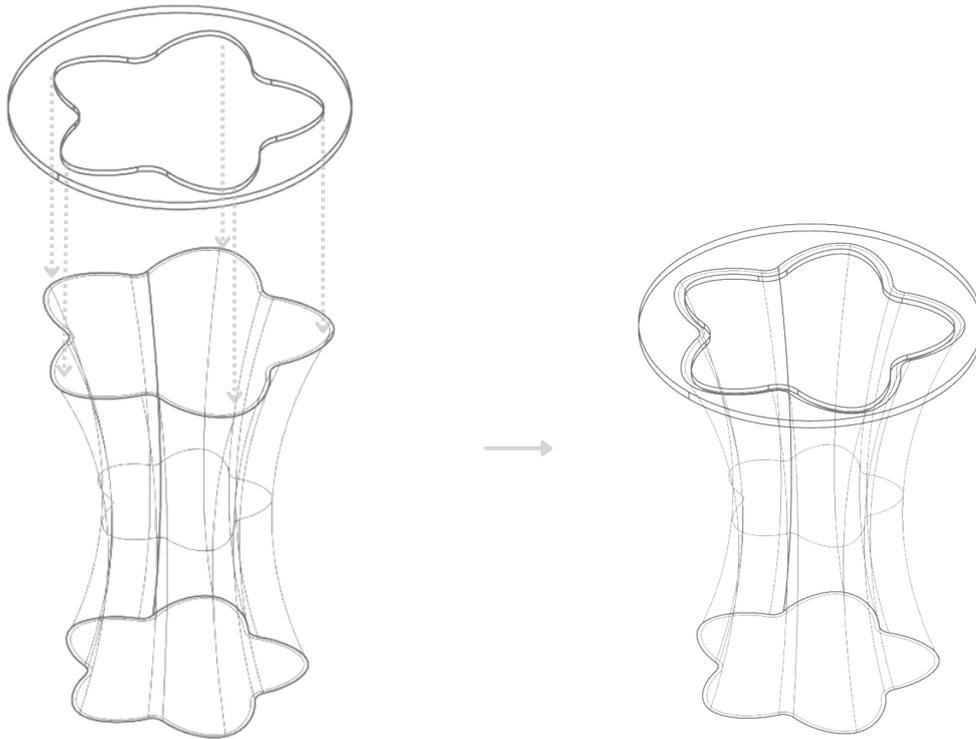

50 CM

Material: Recycled PETG
Total Weight: ~6 kg
Ø Tabletop: 40 cm
Height table leg: 48 cm
Height table top: 2 cm

Assembly Instruction

1. Place table leg on flat, stable ground.
2. Gently place table top on the leg.
3. Ensure the top is fully resting on the leg, stable and placed in the star-shaped rim before use.

⚠ Top is not attached with screws, balance and placement in the rim is essential. Heavy objects placed off-center may cause tipping.

Use & Safety Guidelines

- Maximum weight: 0.5 kg
- For indoor use only
- Do not sit, stand, or lean on the table
- Keep away from heat sources ($> 80^{\circ}\text{C}$)
- Do not place hot objects directly on the surface
- Lightweight design: supervise children or pets nearby
- Do not place the table on elevated or unstable surfaces

Care & Maintenance

- Clean gently using a microfiber or soft cloth
- Avoid solvents, alcohol, bleach, abrasives, or harsh cleaning products
- Do not soak or leave standing water on the legs or top; grooves can trap moisture
- Keep away from damp environments (e.g. bathrooms, outdoors)
- Occasional sunlight is fine, but avoid long-term UV exposure which may cause slight yellowing or brittleness over time
- To preserve the original finish, keep out of direct sunlight

Tip: Some owners enjoy the patina effect; to preserve original look, keep out of direct sunlight.

⚠ Avoid keeping in damp environments, and avoid cleaning with water and liquids, as moisture can build up in the rims.

⚠ Do not clean with harsh cleaning products, solvents, alcohol, bleach, or abrasives as it can damage the material.

Warranty & Service

Each With Faye piece is carefully inspected before shipping.

We offer a 1-year warranty covering production faults and material defects under normal use.

This warranty does not cover:

- Normal wear and tear
- Misuse, impact, or overload
- Outdoor use or exposure to moisture
- Heat damage
- Alteration or modification of the product
- Natural variations in texture, translucency, or tone of recycled PETG

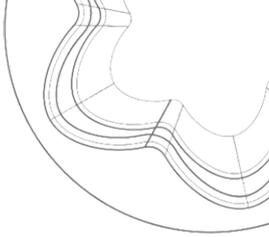

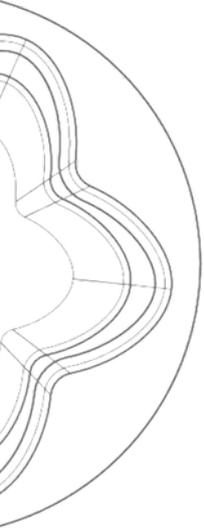

If you believe your product has a manufacturing fault, please contact us at contact@withfaye.eu

Each With Faye piece is produced on demand and individually made for you. For this reason, all Made on Demand and Custom orders are final sale and non-refundable once production has begun.

If your order arrives damaged or incorrect, please contact contact@withfaye.eu

End of Life & Sustainability

PETG can be separated and recycled. Please recycle responsibly or contact us for guidance.
